Mosby's Review Questions is basically a book and cd of questions and answers that I found to be a waste of time over just studying the information. I also agree with some reviewers on finding the answers to some questions to be wrong. I don't like how this book doesn't give evidence based citations to back up the answers to their questions.

I read the Mosby's book occasionally through out my 6 months, just glancing over it. Then about 2 weeks before my test I did some hard core studying. I read the entire Mosby's book and took all of the exams. I scored between 85-95 on the practice tests and also did all of the online tests Mosby offers.
